

PADS4 Viewer types

The PADS Viewer application is available for multiple platforms and in different variants. This allows you to choose the most suitable Viewer type in terms of functionality and pricing for your digital signage network.

Maximize your possibilities with the regular Microsoft Windows based PADS Viewer, choose the PADS HTML5 Viewer for a cost-effective solution that runs on multiple platforms or bring digital signage to the PCs of your staff with the PADS Desktop Viewer. Depending on the type of content you want to play, choose between a BASIC, XPRESS or XPERT Viewer.
